113—We present to our readers to-day, a full report of the doings of the Ecclesiastical Council recently held at the North Baptist Church in this town, for the purpose of adjusting certain difficulties, which have for sometime existed between that ancient church and corporation. The report will be found exceedingly interesting, and it breathes a spirit, which, if followed by those to whom it is given, will prove a blessing to the cause of Christianity; and we have every reason to believe, from what we hear, that such will be the case. We have been told that this church and society, in days gone by, was one of the most flourishing in town, and we trust the day is not far distant, when they will again become a useful and thriving branch of the church of God.

REPORT OF THE ECCLESIASTICAL COUNCIL.

A meeting of delegates called by the Second Baptist Church, and the Corporation connected therewith, to form a mutual council for the purpose of settling sundry difficulties, assembled in the North Baptist meeting-house in Newport, on Tuesday, April 28th 1846, at 9 o'clock, A. M.

Prayer by Rev. T. E. Jamieson.

On motion, the Rev. Joseph Smith was appointed Chairman, and Deacon W. C. Barker, Clerk, for the purpose of the organization of the council.

Present, Rev. Joseph Smith, } First Church,

ROBERT DENNIS, } Newport.

Rev. J. N. GRANGER, First Church, Providence.

Rev. T. G. JAMIESON, } Third Church,

Dea. W. C. BARKER, } Providence.

Upon the call, it appeared that all the delegates present, were upon the request and in behalf of the Corporation; and that the church was unrepresented.

Brother D. C. Denham was present as a member of the church, and in answer to questions proposed by the chairman, stated that in consequence of the short time they had had, since notice was given them, of the time of the assembling of the council, the delegates which they had invited, were not present, but hoped they, or some of them, might be, in the course of the day.

The question then arose whether, under present circumstances, it was the duty of those members present to proceed further in the organization of the council or not; which was decided in the negative; and on motion of Mr. Granger, voted to adjourn until 9 o'clock, to-morrow morning, at the same place.

Wednesday morning, April 29, 1846.

Assembled according to adjournment.

Delegates were present, as invited by the committee of the church, as follows:—

Rev. Mr. TUSTIN, from the Church in Warren.

Rev. Mr. SIKES, " " Bristol.

Proceeded to organize the council, and made choice of Rev. Mr. Tustin, President; and W. C. Barker, Clerk.

Upon enquiry, it was stated by Brother D. C. Denham, in behalf of the Church, that although they were not represented by as many delegates as the corporation, yet that they were perfectly satisfied with the council, as it was, and were willing to submit all the points of difference between them and the corporation, for their decision.

The records of the corporation, in relation to the call of this council was read, and also the response of the church, in reference to the same.

On motion of Mr. Granger, Voted, That the President be requested to call on the organ of the two bodies, calling us together, explicitly to state whether they were willing, and were authorized by those appointing them, to bind themselves in good faith to abide by the decision to which this council may arrive, in the premises.

On enquiry of the different parties as to the last mentioned facts, they both answered in the affirmative, stating that they would strictly adhere to, and abide by, said decision. Mr. Denham further stated that there might arise some points of law, which would involve the necessity of more legal knowledge than what we felt ourselves competent to decide, and that in such a case he presumed we would have recourse to the proper source for such information as was needed.

On motion of Mr. Jamieson, Voted, That the chairman of each committee be requested to state the points of difference between the two bodies, and present all the facts and evidence in the case, in support of the same.

The chairman of the committee of the corporation was requested to make his statement.

Brother G. C. Shaw, in behalf of said committee,

called for the records of the church, to prove certain things, and to show that the church's committee were duly chosen and authorized to act in this case; he also presented the case of the corporation on paper marked A, and comments upon the same until, as he stated, he could go no further, without he could see the records of the church, which were, upon the request of the council, brought forward, when he occupied the residue of morning.

Paper marked A, and referred to by Mr. Shaw. In presenting what we have to say before this mutual council, we shall try to be as brief and perspicuous as possible. We remark—

First, It is known to this council and the whole community, that our difficulties have been very serious and lamentable in their effects, and to the corporation they seem fundamental in their nature.

Second, In what have these painful effects had their proper cause? This we regard as a very important inquiry.

Third, There being two organizations (church and corporation) connected, having been formed for the accomplishment of one and the same ultimate object, but for immediate purposes, distinct and separate, it is manifest that the cause of the evil which religion is suffering among us, must be found in the action of either one or the other, or of both.

Fourth, While we believe the church has its own peculiar duties to do, and responsibilities to bear, with which the corporation should not interfere, we believe also, with equal assurance, that the corporation has its peculiar duties to do, and responsibilities to bear, with which the church should not interfere.

Fifth, Our charge against the church is that they have interfered with us in the regular, conscientious, and faithful discharge of our duties and responsibilities as a corporation, and thereby put it out of our power to expend the funds, and use the property in our hands, in accordance with the principles of the Charter, and of the Will by which we hold them. To substantiate this charge, we refer the council to the facts connected with the call of Rev. T. Towner, by the Pastoral care of the church alone, in 1844; and to any previous facts which might have had a bearing upon the manner of his settlement at that time. Also to the records of the corporation, compared with the records of the church, from that time to the present; with such verbal explanation as the council may need for information.

The corporation also respectfully ask the attention of the council to the letters of the church (to the Warren Association,) against the corporation; "that the corporation was laboring to subvert their order of worship, &c."

The corporation would further say to the council that, in our opinion, (and we think it capable of as much proof as the nature of the case will admit,) the honest and regular action of certain persons as members of this corporation, has been the principle cause of their suspension or exclusion from the church. Whether this, were it proved to be a fact, should be regarded as an interference with the regular and appropriate duties and responsibilities of the corporation, is a question which we cheerfully submit to the decision of the council. Respectfully submitted,

JONATHAN BAILEY, Moderator of the Corporation.

John T. Towner, Clerk, Geo. C. Shaw, Asst. Newport, April 28, 1846.

Voted, That the books and papers be placed in the hands of the two parties owning them, during the times of recess or adjournment, and returned again at the hour of meeting.

On motion, Voted, To adjourn till 2 o'clock P. M.

Prayer by the President.

The council met at 2 o'clock, P. M.

Prayer by Mr. Sikes.

Mr. Shaw proceeded in his remarks in support of the first charge contained in paper marked A; he subsequently commented upon other charges contained in said paper, and concluded for the present.

Brother D. C. Denham, in behalf of the committee of the church, in his reply and in support of the rights of the church, read sundry extracts from the charter of incorporation of said society; from the last will and codicil thereto, of the late Judge Talbot; and from the records, both of the church and of the society, together with a number of very ancient deeds of land made to the church, and the papers, showing what they consider to be the rights of the church; one right contended for, is that the church alone may make choice of, and settle, a pastor to preach in the meeting-house,
